

BURSARY ELIGIBILITY CRITERIA

Two bursaries will be available for the HSRAA 2019 Conference:

Bursary A: Full Bursary – Complimentary registration for 2-day conference and a pre-conference workshop, including 2-nights' accommodation.

Bursary B: Part Bursary – 50% off registration fees for 2-day conference (excluding accommodation) and a pre-conference workshop. Recipient of bursary B pays 50% registration costs for 2-day conference attendance and a pre-conference workshop.

Applications for a conference bursary will not be considered if any of the following criteria are applicable:

- The applicant is employed by a vendor of records management goods or services, document management goods or services, information management goods or services, or other related goods or services;
- The applicant is a consultant employed by a consultancy company.

Applications for a conference bursary will be considered if any of the following criteria are applicable:

- The applicant is currently unemployed or is under notice of employment termination, having been employed most recently in the health sciences sector and in a records management or related field; or
- The applicant is currently employed in the health sciences sector and in a records management or related field; or
- The applicant is a self-employed/freelance consultant in the health sciences sector and in a records management or related field.

Applicants may indicate whether they would accept either Bursary or if their application is dependent upon acceptance of a Full Bursary (Bursary A).
